INSTRUCTIONS

Thank you for your interest in the Eastern Washington Chapter of the Academy of Certified Hazardous Materials Managers. The Eastern Washington Chapter is a Charter Member of the national Academy of Certified Hazardous Materials Managers. The Academy was founded by and is comprised of members who have been recognized by the Institute of Hazardous Materials Management as Certified Hazardous Materials Managers.

The goal of the Academy and the Eastern Washington Chapter is to promote the exchange of knowledge, encourage the advancement of persons in the various fields of hazardous materials, and to obtain recognition of this certification at a professional level nationwide. In order to achieve these goals, the Eastern Washington Chapter accepts applications for memberships in the local Chapter from persons interested in the field of Hazardous Materials Management, persons interested in sitting for the Institute's certification test, persons studying in various fields at institutes of higher education, and Institutions or Corporations interested in promoting the principles of Hazardous Materials Management.

Attached is an application form for membership in the Eastern Washington Chapter. Please fill out the application form; send in the completed form along with \$15 (\$25 after January 1, 2013) for the annual dues for the local chapter -- to the address at the top of the page. The Executive Committee per the Chapter by-laws will review your application and unless you are notified otherwise, you will be accepted as a member in the category you applied for.

As a member of the local chapter, you will receive a copy of the local newsletter when it is published. This newsletter contains information from the national Academy, local events, notification of meetings, and pertinent articles when they are contributed.

Please make all checks payable to **Eastern Washington Chapter (EWC) ACHMM.**
